PROMOTIONS FOR MILLER AND LENTS PROFESSIONALS

Houston, Texas — Senior staff members of Miller and Lents (M&L) have received promotions to reflect their growing roles in the organization.

Leslie Fallon has become a Senior Vice President and Director. Her career at M&L began in 1998 after working for Exxon Corporation. She is a licensed professional engineer with over 30 years' experience including work in the United States, Russia, Kazakhstan, and Egypt.

Katie Reinaker has become a Senior Vice President and Director who joined M&L in 2012. She is a licensed professional engineer with experience in reservoir engineering, fluid properties analysis, reserves determination economic analysis, and acquisition and divestiture evaluations.

Guy Miller has been promoted to Senior Vice President. A Certified Public Accountant, Miller joined M&L in 1998 after positions at a number of Houston-based oil and gas companies. He analyzes accounting data, interprets economic data, and interfaces with clients on economic issues.

Miller and Lents Chairman Robert Oberst said, "These promotions are well deserved and reflect on their growing responsibilities within Miller and Lents and to our clients."

Miller and Lents has served as the oil and gas industry with trusted upstream insights and reservoir evaluation since 1948. Headquartered in Houston, Texas, the M&L team provides reliable, independent analysis to clients across the globe.
